

Product Guide **Issue 20**

[www.pots.net.au](http://www.pots.net.au)

## We understand wants and satisfy needs.

Graceville Imports is one of Australia's premier pottery suppliers with fashionable and functional planters designed to enhance today's homes and gardens.

We source from factories in Europe & Asia and find planters and accessories to match what people want-and what people will buy.

Our business is focused on supplying product, service and variety to the independent retailers of Australia. We are committed to building loyal relationships with our customers.

## Useful Information

**Ancient** - Finishes may vary. While most shipments have a whitish appearance some may from time to time have a greenish tinge.

**Limestone** - All Pots and Urns are hand-made. Finishes may vary from white/grey or yellow/copper. The product is fired in a low temperature kiln sometimes resulting in small firing cracks which in no way affects the products structural integrity. We recommend sealing if pots are for outdoor use.

**Sealing** - Although many of our products will hold water if holes are sealed, they are not completely water proof. We recommend using a reputable sealant if complete water proofing is required.

**Fiberstone** - Can be ordered in almost any required shape, size and colour for commercial quantities. In most cases with a lead time approx 12-16 weeks.

## Terms & Conditions

**Prices** - All prices are plus GST and subject to change without notice.

### Payment -

1. COD
2. Net 30 days from date of invoice (with approved credit).

### Delivery -

1. Free to stockists (retail shop fronts) in Brisbane Metro, Gold and Sunshine Coasts (orders over \$300).
2. Charges apply for all other deliveries (including delivery to stockists job sites).

Fibrestone/Terrazzo Lite is a light weight product. Planters are used in a variety of domestic and commercial situations. They come without holes, but can be easily drilled as required. Fibrestone/Terrazzo Lite is not water proof and we recommend sealing for a longer life. Although Graceville Imports hold extensive quantities in our Brisbane warehouse we are not limited to existing ranges or colours. Planters can be designed to client's specific requirements with a lead time, in most cases approx 8-12 weeks.
